

A Romantic Night: Get a CEO Home

Chapter 6 To 10

Chapter 6

Jin Beisen slowly turned around. He saw his hands inserted into his pockets naturally. His features were delicate, his eyes were deep, his nose was high, his lips were thin, his face was very handsome, as if he could charm thousands of girls in minutes. But somehow, Zhou Manchun felt Jin Beisen's domineering momentum and indifference.

Zhou Manchun calmed down, and when Xing Mou and Jin Beisen's Mo Mou looked at each other, they suddenly covered their mouths and looked frightened.

His eyes, she will never forget this life, as if with a very profound power, can absorb people into the same.

Originally, last night is this scum sleep oneself, Zhou Manchun in the heart thinks secretly.

"This is Jin Beisen." Jin Beisen's good-looking lips moved, and his eyes seemed to have a little smile, but the smile immediately turned into a strong cold.

Zhou Manchun took a deep breath of air-conditioning in her heart. For the first time since she was so old, she saw a man turn his face faster than a book.

"What can I do for president Jin?" Zhou Manchun is not timid, but she is somewhat restrained by the man in front of her. She asks in a submissive way.

"Last night, you slept with me." Jin Beisen, who was tense one second ago, became a bit wild the next.

Zhou Manchun doesn't know how to express her inner feelings. What does it mean that she slept with him? It's clear that he forced her, OK!

How can there be such a cheeky person in the world?

"No It's not you who gave me. " Zhou Manchun bit his lips. He looked like he wanted to talk but stopped. I think Jin Beisen knew who was sleeping!

"Oh, Miss Zhou, I won't go around with you either. I heard something happened in your family." Jin Beisen suddenly changed his face and said with a serious look.

Shit, how does Jin Beisen know!

"How do you know?" Zhou Manchun asked questions from the bottom of her heart, but when she said that, she immediately regretted. Who is Jin Beisen? There is no problem in investigating such matters at all.

Zhou Manchun laughs at his stupidity in the bottom of his heart. He doesn't notice Jin Beisen walking towards him.

She was surrounded by a sharp breath mixed with a light smell of tobacco. Zhou Manchun hated the man who smoked most in ordinary times, but when she smelled Jin Beisen's smell of tobacco, she was inexplicably fresh.

But when he got close to her, Zhou Manchun became nervous, which made her feel more scared than when she met those hooligans in the alley just now.

Zhou Manchun's face is red and her heart is beating fast. She has no male phobia. She has such a handsome face like Jin Beisen. She should be a flower

maniac at the moment!

"It's not hard to know that." Jin Beisen said with a sneer, and the black eyes like Obsidian were more profound.

Jin Beisen suddenly came closer to Zhou Manchun, so that she could clearly feel the smell of male from his body. His knuckled fingers suddenly pulled out and pressed them on her shoulder. His eyes light slightly swept Zhou Manchun's red cheek, and one side of his thin lips raised a curve of evil and sycophantic.

Zhou Manchun subconsciously stepped back two steps. She felt that her heels were a little weak. They were close to each other. Her heart beat suddenly went out of rhythm and her breath became disordered.

"So what does Jin want to do?" Zhou Manchun smiled and looked into Jin Beisen's deep ink eyes. He knew that the deer in his heart had been in disorder, but he still pretended to be calm.

Zhou Manchun struggled for a while, but she didn't get rid of it. She was a little annoyed. She didn't know what medicine Jin Beisen sold in the gourd.

"Be my woman." Jin Beisen stared at Zhou Manchun with dim eyes and said definitely.

"Poop" a, Zhou Manchun smiled, but Jin Beisen heard the irony hidden in Zhou Manchun's smile.

"Mr. Jin, I think you misunderstood me. First, Zhou Manchun doesn't need your help. Even if something happened in my family, it's just my business. Second, we had a relationship. You should have a good night. It's no big deal. Third, I hope you can keep the secret." Zhou Manchun is not vegetarian either. She lets Jin Beisen play with her hands. She knows that Jin Beisen is not a good person, so she simply refuses him.

It's said that Jin Beisen is a man who is very romantic. If she has such a man, she can't be driven mad by him?

Zhou Manchun wants to go back and forth, and thinks that she still doesn't want to burn this muddy water. Jin Beisen is not a good person, and what has happened can't be changed. The only thing she can do is not to bury her future foolishly.

"Are you rejecting me?" The sound of man's magnetism is mellow like a clear red wine, flowing slowly through Zhou Manchun's heart.

Zhou Manchun raised his head and felt Jin Beisen's unpleasant breath and dignified indifference. She smiled faintly, with a smile on her delicate red lips. "Yes, Jin is always an adult. Why bother me? Mr. Jin is surrounded by beautiful women. I think you can't see me. "

"How do you know I can't see you? Or you don't want to be with me? " Jin Beisen's eyes were bright and cold, and he stared at Zhou Manchun closely. His words made Zhou Manchun very worried. There seemed to be a suffocating feeling in the air.

Zhou Manchun almost laughs again. It's such a serious conversation atmosphere!

She took back her mind and felt that there was a thin layer of sweat behind her. I don't know if it was due to over tension, "why am I with you? We don't know each other at all. Is it because it's sunny? I think there are countless women who have had a relationship with president Jin. Does everyone of president Jin want to marry home and become his wife? "

Jin Beisen sneered and looked at Zhou Manchun with a deep, unsophisticated eyes. "Miss Zhou thought so much, she wanted to be my wife."

"I didn't." Zhou Manchun is eager to deny that it is really difficult to understand Jin Beisen's brain circuit.

"But that's what you said just now, but I want to remind you that you are not qualified to be my wife." Jin Beisen's thin lips raised a smile, which was a mockery.

Zhou Manchun looks like a hairy hedgehog and stares at Jin Beisen fiercely. "You're flirting with yourself. I didn't think about that at all."

I don't know why, Zhou Manchun's heart even flashed a sense of suffocation. She knew that Jin Beisen would not marry her, and she didn't ask him to marry her, but why did he humiliate her?

"Are you getting angry?" Jin Beisen leaned over her ear and pecked at Zhou Manchun's white neck.

Zhou Manchun was stunned. When he kissed her neck, her whole body seemed to flow an electric current. Their ambiguous posture seemed to relive last night's passion.

Chapter 7

The girl's ear root suddenly burst red, her heart quivered twice involuntarily, accelerating violently. She pushed him away, shivering like an electric shock, and her apricot eyes stared at him with moist eyes, "you stinky rascal."

Jin Beisen laughs and doesn't speak or explain. Last night, Zhou Manchun was drugged. Of course, he also tossed her. Jin Beisen just fainted Zhou Manchun for a short time with the overpowering drug. But when they arrived at the hotel, Zhou Manchun took the initiative to make Jin Beisen silly.

"You threw me on the bed last night, forgot?" Asked Jin Beisen with bewitchment and confusion in his magnetic voice.

"How can I put you down on the bed? You don't need to make up stories here." Zhou Manchun said angrily.

"I recorded the video. Do you want to watch it?" Jin Beisen gently pinched Zhou Manchun's nose and asked with a smile.

"Lying trough, you pervert." Zhou Manchun was completely discouraged.
"You're about to delete the video. This kind of video is not good for you."

Jin Beisen stretched out his hand, grabbed Zhou Manchun's chin, and with his eyebrows crossed, he said, "Oh? Is it? Not good for me? I'm sorry to disappoint you. I didn't take a picture of myself, but Miss Zhou is very charming in the way she wriggles on the bed! "

Zhou Manchun breathed heavily. After hearing this, she couldn't control the power in her body and wanted to fight him. But she looked left and right. She didn't think she was the match of this man. Let alone

"You belong to the strong, the traitor, I will go to the court to sue you."

"Go ahead, little cute. Do you want me to pass the video to you so that you can have more evidence in the court?"

Zhou Manchun was completely mad by Jin Beisen. She shouted at the beautiful man in front of her with her teeth and claws: "I will not be your woman if I am an animal!"

"I'll see. Miss Zhou, you will come to beg me." Jin Beisen raised the delicate corner of his mouth and said confidently. Then he added, "but next time you come to me, it's not so easy."

In Zhou Manchun's rampage, shame, this is absolutely shame!

She proudly turned around and did not turn back to prepare to go. When she just came to the door and her long fingers were on the doorknob, she suddenly thought of something.

Oh! That five hundred!

Zhou Manchun bowed his head and took out the money from his bag. He

folded the five brand-new red notes and threw them at Jin Beisen heavily.
"Your stinky money will be returned to you."

Words fall, Zhou Manchun and Zou Shupe in his black suit together take off,
"Oh, and this, is your clothes."

Jin Beisen's eyes were deep, and he looked at Zhou Manchun lazily up and down, and saw that her skirts were all a little broken. He said sarcastically,
"take the money and buy a suit."

"I don't want your money. I have my own." Zhou Manchun said angrily, and then he never returned to JS international.

It's getting dark. Zhou Manchun goes to the nearby shopping mall to buy a dress for himself and changes some of his broken clothes.

A gust of late wind blows, it's summer, but she feels a little cold.

Walking, I don't know why, even went downstairs to Zhao Tianyu's community.

She shouldn't have come here, but she couldn't control her own pace. Yesterday was Valentine's day and the third anniversary of her association with Zhao Tianyu. Her three-year feelings are long and short. In retrospect, they are like a dream of Nanke.

Zhou Manchun knows Zhao Tianyu's password. She presses it and goes in.

In the quiet air, suddenly came a woman's charming gasp. Zhou Manchun was shocked. There was no smile on her bright face. Listen carefully, and there was a man's satisfied low roar

The bedroom door is tightly closed. The wild voice comes from the inside. Zhou Manchun is stupefied, his eyes are wide open, and his face, which was slightly red, turns pale in an instant.

It's not that she didn't hear it. Whose voice is in it.

The soles of her feet were filled with lead. Zhou Manchun shook her head, but the ambiguous voice still lingered in the air. She didn't know whether to go or to go in and break through the two men and women.

"Tianyu, did you really break up with her?" Liu Tingting put her arms around Zhao Tianyu's neck, and the two men's bodies were closely fitted together. She asked gently in his ear.

"Baby, I've separated from her, or can I stay here with you?" Zhao Tianyu pinched Liu Tingting's slim waist and said with a squint of color.

"Well, our relationship is not a matter of two days a day. Damn it. Your plan didn't succeed last night. Wang Dong didn't sleep with Zhou Manchun, and the people I sent this evening didn't do it. It's disgusting!" All of a sudden, Liu Tingting was angry and wrinkled her beautiful willow eyebrow.

"What? You sent someone to kill her? Who told you to do it?" Zhao Tianyu is full of emotion for a second. His voice is abnormal immediately. He frowns at Liu Tingting.

Liu Tingting was frightened, and the movement on Zhao Tianyu's body suddenly stopped. She said with a face of grievance: "am I not following your wishes? You wanted to send her to Dong Wang's bed last night. Now I'm going to let some gangsters play with her. The result is the same. What's your anger with me? "

Women's coquetry, especially at this time, is beyond the control of ordinary men. Zhao Tianyu calms down and pinches Liu Tingting's buttocks and says, "don't do this without my permission next time."

"I know, honey..." Liu Tingting's charming voice is like a sharp knife stabbing into Zhou Manchun's heart.

"You need to be obedient before you can be cute. Don't be so ignorant as Zhou Manchun." It is obvious that Zhao Tianyu is unhappy with Zhou Manchun in the sharp and sour tone. After listening to Zhao Tianyu, Zhou

Manchun finally sees Zhao Tianyu's true face. Her burning anger seems to be extinguished in an instant, OK!

It turned out that her guess was right. Zhao Tianyu did indeed put medicine in her wine. At the moment, she was so lucky that Jin Beisen slept with her last night. If she was replaced by the greasy Dong Wang, she would like to jump into the river now.

Zhou Manchun took a deep breath, calmed his mood a little, and quickly turned the doorknob of the bedroom.

The door opened with a click.

The two people in the bedroom stopped their movements, but Zhou Manchun saw Liu Tingting riding on his boyfriend.

Zhao Tianyu was petrified at the moment when he saw Zhou Manchun. He had no interest at all.

Chapter 8

Liu Tingting is calm from Zhao Tianyu's body climbed down, charming eyes full of provocative taste, as if she is Zhao Tianyu's real girlfriend.

"You go on." Zhou Manchun stared at Zhao Tianyu coldly, his anger burning.

Long distance love is the most test of trust between lovers. Zhou Manchun never thought that the person she trusted would betray herself.

The green hat on her head has grown luxuriant grass. She didn't know it until now.

Zhou Manchun, you are such a fool!

"Zhou Manchun, since you have seen it, then I have nothing to say. Just like you see, Tingting and I are on good terms. You You can go." Zhao Tianyu's

eyes changed suddenly, and he put away his panic. His face was cold and he said word by word.

Zhou Manchun was speechless for a while, but Zhao Tianyu let her go. Together for three years, he never said such cruel words to her.

"It's ridiculous, Zhao Tianyu. You don't have to be amorous. I've already broken up with you. I'm sorry. This time I'm wearing a green hat for you. You can only go to a woman like her for your taste." Zhou man pure skin laughs the flesh not to smile to say, the manner of the Yin and Yang is very seeping!

"What do you mean, Zhou Manchun? What is a woman like me? And what about you? Aren't you a bus, too?" Liu Tingting smiled and held out her soft arm around Zhao Tianyu's neck.

Zhou Manchun "Pooh" and cursed the two men and women in the bottom of his heart.

"Liu Tingting, my father treats you well. When you are in the most difficult time, my father supports you to go to university. After you graduate, my father let you work as an accountant in the company. You are not only grateful, but also bite me back. If you do this as a person, are you not afraid of your own retribution?" Zhou Manchun angrily clenched her fist. Seeing all this, she knew that she could not bear it.

"Well, that's the attitude of your rich people. They always think that money can solve all problems." Liu Tingting's tone was frivolous, turning her eyes.

"You bitch, man!" Zhou Manchun looks at Liu Tingting and smiles. She only thinks that she is satirizing herself. For a while, she can't help it. She rushes forward and gives Liu Tingting a slap.

If it was someone else lying on Zhao Tianyu's bed today, she might not hit her, but Liu Tingting had to.

Liu Tingting is surprised to eat Zhou Manchun slap, aggrieved red eyes to Zhao Tianyu cry: "Tianyu, she hit me."

Zhao Tianyu held his anger, but did not speak. After all, he did something wrong.

Zhou Manchun went up to open the quilt on his body and said with a cold smile: "Zhao Tianyu, I can't imagine that you are such a person! You are the scum! " She said it word by word, biting her teeth and enunciating clearly.

Words fall, "pa" voice, fell on Zhao Tianyu's cheek, no doubt more loud than just that slap!

Zhao Tianyu jumped up from the bed, stood up straight slowly, stared at Zhou Manchun coldly and said, "Zhou Manchun, have you done enough?"

"Zhao Tianyu, remember you scum, I will let you pay for today's behavior!" Zhou Manchun looks up coldly, deep in his eyes, but he is deeply disappointed.

"OK, I'll wait." Zhao Tianyu smiled scornfully and thought, "don't dream, Zhou Manchun. From today on, the game will start again. Do you think you are the immortal Miss Zhou?"?

"In the end, I wish you two cheap people and dogs for a long time." Zhou Manchun coolly dropped a swearing and stormed out of the apartment.

Night shrouded the whole city. The neon lights on the street lit up next time. Zhou Manchun walked aimlessly in the street, his eyes were red and swollen

with tears.

Why, why does Zhao Tianyu do this to her? What on earth did she do wrong!

Zhao Tianyu betrayed her. He and Liu Tingting had been together for a long time. But why did he design to send her to Wang Dong's bed?

In this world, there is such a wolf hearted man!

Zhou Manchun bit her teeth and stopped a taxi. She encouraged herself in her heart: Zhou Manchun, don't cry, everything will pass.

Famous city garden.

Zhou Manchun hurried back home. When he opened the door, he saw several policemen holding her father.

Zhao Lizi broke down and pulled the two policemen to prevent them from taking her husband away. Zhou Manchun also cried. Even if she was stupid, she could guess what happened. It must be something happened to the company.

"Xiaochun, I'm sorry for your father. He didn't see people clearly and left a disaster around. You should be careful Zhao Tianyu..." Before Zhou Tinghao finished speaking, he was taken away by the police.

Zhou Manchun chases out in a hurry, but the police have brought Zhou Tinghao into the elevator. Zhou Manchun can't catch up. Her mind is in a mess, her face is full of tears, and she hurries down the side safety passage.

But when she came downstairs, the police had already left in the police car

Zhou Manchun fell and sat on the ground in embarrassment, but she could not care about other people's points. She was crying recklessly.

Why is Dad taken away by the police? Zhou Manchun suddenly remembered that his mother was still at home, and ran home again.

In the living room of Nuo Da, Zhao Lizi is like losing her spirit and soul. She is speechless and sits like a wooden person.

"Mom, what happened? Why did dad get taken away by the police?" Zhou Manchun squats down and shakes Zhao Lizi's body uneasily.

Zhou Manchun knows that Zhou's group is on the verge of collapse, but why do the police want to catch her father?

"There is a debt crisis in the company. Accountant Liu made a fake account and there are more than six million fund holes. Now the people from the inspection office come to investigate, but those documents are signed by your father..." Zhao Lizi's angry hands didn't go on, and the whole person trembled.

Just now, Zhou Manchun was still thinking about how to talk with his parents about the affair that he ran into Liu Tingting and Zhao Tianyu. Unexpectedly, these two villains did things in the company so quickly. It seems that they had planned ahead of time.

"How despicable!" Zhou Manchun was angry and clenched her fists tightly, but suddenly, her big tears fell down and she cried out.

Zhao Lizi was frightened and looked at Zhou Manchun in confusion. Zhao Lizi asked softly, "baby, what's the matter with you?"

After a long time, Zhou Manchun said intermittently: "I just In Zhao Tianyu's apartment, we found him and Liu Tingting doing that kind of thing. "

Zhou Manchun is really speechless. There is nothing more painful than the sudden betrayal. Zhou Manchun feels like a fool. Before the incident, she had no suspicion at all.

Chapter 9

Zhao Lizi is surprised! There is a complex emotion in her eyes, absolutely not. She can't let her baby daughter be wronged.

"It's so mean, these two men and women." Zhao Lizi was also out of breath, panting.

But now, it's time to get these two men and women back.

Zhou Manchun is very rational. She didn't focus on Zhao Tianyu's betrayal. Everything has happened. Obviously, they have planned it for a long time. Now, the problem is how to fill up the six million fund loopholes.

"How much liquidity is there now?" Zhou Manchun suddenly asked calmly.

"More than a million." Zhao Lizi raised her eyes, did not expect her daughter to know so much at this time, her eyes out of a deep gratification.

"Did you call the police?" Zhou Manchun asked, frowning and worried.

"Yes, the police are investigating." Zhao Lizi is very anxious. I hope I can find out the truth. Otherwise, Zhou Tinghao is doomed to carry this black pot. The company has lost so much money without any reason. In addition, the

operation of the company in recent years is not very smooth. This news is worse for the Zhou family!

Zhou Manchun suddenly felt helpless. She bit her lips and her eyes moistened. "I can't. let's sell the house and buy my house. It will be enough for six million."

Zhao Lizi hesitated a little in her eyes. When she sold the house, they had nothing left. They had lived here for more than ten years and had deep feelings for the apartment.

In this world, it's hard to make money. Maybe, this is the only way.

The next morning, just after dawn, Zhao Lizi was making breakfast in the kitchen. Zhou Manchun laid hands on her and heard a knock on the door.

Zhao Tianyu, dressed in a suit and shoes, entered the Zhou family with a radiant face.

"What a mother and daughter!" Zhao Tianyu has a funny face and looks like a noble.

Zhou Manchun was shocked. There was a very complicated emotion in her eyes.

This scum, how can I still have the face to come here?

"Zhao Tianyu, you beast, how dare you come here? This is the Zhou family. Get out of here, or I'll call the police. " Zhao Tianyu's face turned white when she was angry.

"Oh, aunt, don't be angry. I'm here just to get back what belongs to me." Zhao

Tianyu's unruly smile hung around his lips. He dropped his suit and coat and sat on the sofa with his legs crossed.

Zhou Manchun opens the excited Zhao Lizi and stares at Zhao Tianyu angrily. "What do you want to come to my house?"

"What do you say?" Zhao Tianyu shrugged, fearless.

"I don't know. I advise you to get out of here." Zhou man pointed to the direction of the gate.

Seeing this scum, she felt disgusted. How could there be such a shameless scum in the world!

"You're silly, Xiao Chun. I came to my house to drive out two strangers." Zhao Tianyu sat on the sofa with his face unchanged, laughing wildly.

The whole living room is haunted by his evil laugh. Zhou Manchun's eyes are shocked. Look at me with Zhao Lizi, and I'll see yours.

His family? When did the Zhou family become Zhao Tianyu's home? Zhou Manchun feels that Zhao Tianyu is talking about dreams!

"Zhao Tianyu, don't dream. If you have brains, I advise you to run away now. If you frame my father, the police will find out!" Zhou Manchun frowned, but her mind was in chaos. She pretended to be fierce. How could she have never thought that the person she once loved most would become the one she hated most!

"Oh?" Zhao Tianyu's tone was frivolous. Next second, there was a greedy look in his eyes. "That old man hasn't told you yet. Last month, the company received a list. Because there was no working capital, he used this house as a

guarantee. Now the company is in trouble. I bought this house in good name from the bank."

"Don't insult my father like that!" Zhou Manchun tugs at Zhao Tianyu's clothes in pure atmosphere and wants to drive him out.

"Lawyer Chen, come in." Zhao Tianyu smiled coldly, and suddenly threw Zhou Manchun to the ground.

Seeing her daughter injured, Zhao Lizi hurried forward and asked anxiously, "Xiaochun, are you hurt?"

Zhou Manchun pursed her lips, resisted the impulse to cry, rose slowly from the ground, patted her clothes and said, "Mom, I'm ok."

"Mrs. Zhou, Miss Zhou, I'm Mr. Zhao's lawyer. Here is the house contract. Please move out immediately." Lawyer Chen is indifferent and formulaic.

In a few short words, it is undoubtedly a cold imperial edict. Zhao Lizi took over the contract with trembling hands. It did have Zhou Tinghao's autograph on it.

Eyes unconsciously red, Zhao Lizi bowed her head silent.

"Mom, it's OK. We'll be back soon. This villain will not come to a good end." Zhou Manchun stares at Zhao Tianyu and pulls Zhao Lizi to leave.

"Stop, Xiao Chun. I don't like the look you just made." Zhao Tianyu's magnetic voice is full of cold charm.

Zhou Manchun walked forward without turning back. If he wanted to go back to his room and pack up for moving, Zhao Tianyu saw that Zhou Manchun

didn't care about himself. He was in a hurry. He took Zhou Manchun in two steps.

"You scum let me go." Zhou Manchun pushed Zhao Tianyu away with all his strength, with a look of disgust on his face and a little alert in his eyes.

After hesitating for a while, Zhao Tianyu began to think: "Xiaochun, in fact, I like you very much. If you want to stay here, you can quit your job in the hospital, serve me at home and be my woman. I promise you won't worry about food and drink for the rest of your life."

"Bah, wretched, Zhao Tianyu, I tell you, even if I go to sweep the street, I won't be your woman. You'd better die."

Yesterday, I was in bed with Liu Tingting, turning over the rain and covering the clouds. Now I told her that I liked her. I thought she was an idiot!

"Really, Xiao Chun, I like you better than Liu Tingting, because I find You have an unyielding spirit." Zhao Tianyu is wearing a kind of banter, but what he said is true. Liu Tingting is just a chess piece for Zhou family's industry. In recent years, he really loves Zhou Manchun.

However, Zhao Tianyu can't love Zhou Manchun because of the nature. Fifteen years ago, the Zhou family bought Zhao's company. Zhao Tianyu's parents jumped from the building overnight. Zhao Tianyu was immersed in hatred since he was a child, so his purpose of approaching Zhou Manchun was only to revenge.

Chapter 10

Now that his wish had been fulfilled, Zhao Tianyu found that he was not so happy. Looking at Zhou Manchun's expression of disgust, he was very uncomfortable.

"Zhao Tianyu, I don't want to say anything to you now. Don't bother yourself any more." Zhou Manchun said, then hung up the door of the room and locked it.

After finishing the laundry, Zhou Manchun and Zhao Lizi left with four huge suitcases.

Zhou Manchun didn't take away some valuable items at home, because Lawyer Chen said it was also included in the mortgage. Zhou Manchun felt angry. Over the years, she really loved the wrong person.

When she left home, Zhou Manchun found out how depressed she was at the moment. She had no friends in city a, and she didn't want to tell her colleagues in the hospital that the apartment Zhou Tinghao bought for her had not been decorated and could not live in. They first found an old apartment, and the mother and daughter lived temporarily.

Zhou Manchun is standing in the dressing room, ready to change the surgical clothes. Weng, the head nurse, comes in quietly and says hello to her kindly.

"Congratulations, Xiao Chun. The operation is so successful again." Weng said quietly with a smile that in her early 40s, she was the head nurse of the cardiology department of Jiaru hospital, who had just assisted Zhou Manchun to finish a large-scale heart operation.

"Sister Weng, you're welcome. You're also credited for the success of the operation." Zhou Manchun twisted her neck. She was very tired. It took six hours for the operation just now. She didn't even have lunch. She was hungry and could not raise her head.

"Xiao Chun, you are really a talent of our Jiaru hospital. It's only two months

since you came here. This clinical experience is catching up with Lao Li. It's said that yesterday the Dean talked with Lao Li and said that you will be given a raise and promotion next month." Weng quietly said proudly, as if she was also appreciated by the dean.

Zhou Manchun smiles briefly. The old Li in Weng's mouth is Li Zeyuan, the director of their cardiology department. He has great prestige in the cardiology department of the whole city. But when Zhou Manchun came back to Jiaru hospital shortly after graduation from England, her presence seemed to threaten Li Zeyuan. Zhou Manchun knows that Li Zeyuan doesn't like himself very much, so those high-risk and difficult ones All the operations will be left to her.

"Well, if I get a raise, I'll invite sister Weng to dinner." Zhou Manchun said in a cool voice that Weng Jingjing has been helping her since she entered the hospital. Zhou Manchun naturally appreciates Weng Jingjing. Although she does not lack strength, it is not so easy to survive in the hospital. Sometimes interpersonal relationships are difficult to deal with.

Weng's eyes lit up with a smile and said, "it's up to you."

Zhou Manchun changed his surgical suit and said, "well, it's up to you."

After leaving the dressing room, Zhou Manchun went back to the 24th floor of the inpatient department. It was lunch break time. Zhou Manchun went to the corridor of the hospital with a deep face. Every time she was upset, she liked to think clearly in a quiet place by herself.

She was very anxious about her family affairs. Zhou Manchun had mixed feelings. She felt sad, angry, wronged, worried, unwilling and frustrated.

For 22 years, she has been a treasure held by her parents. But yesterday, her

life changed dramatically. The betrayal of her first boyfriend and her loss of life were unacceptable to her. Zhou Manchun once loved Zhao Tianyu very much. She really loved him. But in one night, all love turned into hate.

At this moment, she must not fall down, can not give up!

Zhou Manchun has been leaning against the corner, thinking more and more, but a sound of conversation brought Zhou Manchun back to reality.

"President Jin, Shi Botao's hospitalization is a rare opportunity." Zou Yingjie said in Jin Beisen's ear.

Jin Beisen had a cigarette in his mouth. Suddenly he caught it with his fingers. His cold eyes swept across the floor tiles. In the dark light and shadow, his beautiful thin lips opened softly. "Do him, remember that what you have to do is to make it look like a medical accident without knowing the ghost."

"President Jin, is this too cruel? He is your uncle!" Zou Yingjie's face suddenly changed. If she killed Shi Botao, old lady Jin would not be crazy.

"He paid so much money from JS international. He's already dead. This time he deserves it. Who can blame?" Jin Beisen said coolly, with a dangerous smile on his lips.
